Dear Parents:

Over the last several months our students in grades 3-8 have been working hard and are now ready to take the New State assessments. Please see the schedule below.

**English Language Arts – Tuesday, April 2 and Wednesday, April 3**

**Mathematics – Wednesday, May 1 and Thursday, May 2**

Please note that the New York State Education Department has informed all schools to notify parents about the importance of students taking the tests. We expect all of our students to participate and confident that they will perform well.

Sincerely,

Dr. Nicholas Stapleton

Chief Education Officer
